COIN PUSHERS

# Limited Lifetime Warranty

Hoardmaster — measured in dragon lifetimes (approximately 1,000 years each).

Grumbleton & Sons warrants the Hoardmaster against defects in materials and craftsmanship for the periods below, from the date it first entered your hoard. If something fails under normal draconic use, we will repair or replace it — whichever involves less flying.

## COVERAGE

| **Tray body and enamel** | 1,000 years |
| **Spring cartridges** | 100 years |

## WHAT IS COVERED

- Manufacturing defects in materials and craftsmanship
- Failure of parts under normal use, including routine fire
- Free replacement parts shipped by raven within one full moon
- Transfer to a new owner if the hoard changes claws
