

ASHWEAVE HEARTH

Warm floors, no scorch marks.

A rug that shrugs off sparks, claws and the occasional accident.

THE PROBLEM

Bare cave floors are cold, loud, and covered in whatever the hoard sheds.

THE GRUMBLETON ANSWER

Ashweave rugs are woven from the same salamander wool as the Cinderpuff range, backed with grip so they stay put under a landing dragon. Warm underfoot, impossible to scorch.

Why dragons choose it

Ashweave Hearth • GS-AW-100

01

Fireproof to 1,500 °C

02

Non-slip backing for hard landings

03

Claw-resistant weave

40 lb

shipping weight

1,500°C

sustained heat rating

150 yr

warranty on the main body

AT A GLANCE
