

GLOWMOSS LANTERN

Light without fire. Imagine.

Soft, living light for the discerning cave.

THE PROBLEM

Fire is the only light most caves have, and it keeps setting the hoard on fire.

THE GRUMBLETON ANSWER

The Glowmoss Lantern is a bronze lantern with a living bioluminescent moss core. It glows softly for years on nothing but cave humidity and compliments.

Why dragons choose it

Glowmoss Lantern • GS-GL-100

01

Grown, not built: 100% living moss

02

No batteries, no wicks, no fire (a novelty for most customers)

03

Brightens when complimented
