

HOARD DOORS • CUT SHEET

# Vaultvane 200 F

A door only you can open. Probably.

★ AT A GLANCE

| Specification          | Value                                                            |
|------------------------|------------------------------------------------------------------|
| Order code             | GS-VV-200-F                                                      |
| Capacity               | 1 cave mouth                                                     |
| Dimensions (W x D x H) | 108 x 14 x 168 in                                                |
| Weight                 | 2,600 lb (about 43 sheep)                                        |
| Heat rating            | 2,000 °C sustained breath                                        |
| Materials              | Quarried granite slab, bronze hinges, ironwood counterweight arm |

★ KEY FEATURES

- Counterweighted: opens with a snout, not a shoulder
- Self-closing, so the draught stays out
- Claw-friendly latch, no fiddly handles
- Fireproof core (F model rated to 2,000 °C)
